

Bluebird Holistic Training

At Bluebird Holistic Training we put the learner at the centre of what we do. We provide individual learning plans tailored specifically to what each student needs. We provide online, email and text support along with a one to one mentoring service.

Our qualifications are CACHE approved and are compliant with up to date industry standards.

Our courses are competitively priced and there are payment plans available in order to make them as financially accessible as possible.

Our core courses are listed overleaf along with our **INTRODUCTORY PRICE REDUCTIONS***.

*** Introductory prices are available for all enrolments up to and including 30/9/17**

For more information or to book a one to one please contact
